

REOPENING TIMELINE

-TRAVEL GUIDE-

* **CURRENT TRAVEL CONDITIONS**

Flights

Inbound flights for reopening remain limited to Cayman Airways, JetBlue, British Airways, and WestJet. Additional flights by major US carriers are slated to begin by mid-February 2022.

Eligible Travelers

Fully-vaccinated travelers & their unvaccinated children ages 11 and under, and those approved via Travel Cayman.

* **FREQUENTLY ASKED QUESTIONS**

1. Are unvaccinated children allowed to travel with vaccinated adults?

Yes. Unvaccinated children ages 11 and younger will assume the vaccination status of their parents. Children 12 and over must be vaccinated.

Children ages 0-4 will not be subject to LFT (Lateral Flow Test/Rapid Antigen Test) testing while on-island. Children ages 5-11 will be subject to the same LFT testing as their parents.

2. What testing is required before and during our stay?

Prior to arrival, all incoming travelers age 5 and over must provide a negative PCR or LFT result taken no earlier than the day before departure. Travellers under the age of 5 are not required to undergo testing.

While on-island, all travelers age 5 and over are required to take a Lateral Flow Test (LFT) on Days 2, 5, and 7. Travelers ages 0-4 are not subject to LFT testing. Testing sites have been set up across the island. For complete details, [read the official guidance](#) on lateral flow testing.

3. What is Travel Cayman?

Travel Cayman is the Cayman government's online travel application portal. All travelers must pre-register with [Travel Cayman](#) to receive a Certificate of Travel for approved entry into the Cayman Islands. We recommend you start this process 30-days prior to arrival.
